

October 9, 2020

Dear Parent/Guardian,

Your child is participating in a PRO Youth and Families program. PRO Youth and Families is an organization that offers a unique after-school experience for youth in the Sacramento area. Many of our programs are offered as part of enrichment settings in after-school programs; currently, most of our programming is occurring virtually using Zoom due to COVID-19 restrictions.

Our team works with young people to help students realize how they can become advocates for themselves and engaged citizens in their community. PRO facilitators accomplish this in a variety of ways such as (but not limited to): engaging students through community projects (i.e. sock drive, anti-bullying campaigns, drinking prevention campaigns), building empathy skills, leadership opportunities, mentor/mentee sessions, youth & civic engagement programs, relationship skills lessons, and/or Life Skills Training curricula.

A complete list of all our programming, and more about the organization, can be found at our website: proyouthandfamilies.org. Also, please reach out to the person who sent this form if you'd like specific details about the PRO program your child is in.

Use this [link](#) if you want to do either of the following:

- You do NOT want your child to participate in this PRO program.
- You do NOT want pictures/videos taken of your child (and do NOT consent for your child's likeness to appear in any of our social media or marketing materials).

We are happy to answer any questions you have!

Sincerely,

Ashley Nittle

Director of Monitoring & Evaluation
